

**CARE INTERNATIONAL – PIIRS MODULE 2  
2014 IMPACT REPORT  
CHANGE STORY FORMAT**

Today we would like to talk to you about the changes you have experienced through your involvement in the Project/Program \_\_\_\_\_ supported by CARE and \_\_\_\_\_.

**I. PART 1: Questions to start the dialogue and reflection with the person interviewed:**

- 1) Please think briefly on how things were before the Project/Program started: how were you; how was your family, your community, your organization? Take 2 minutes to think about that.
- 2) Now think of how things are NOW. Has anything changed? What? Please describe.
- 3) Do you think that some of these changes were influenced/facilitated by CARE? Again, take 2 minutes to think about that.

From the changes you thought about, please focus on the one you think has been the MOST SIGNIFICANT or MOST IMPORTANT. (Go to part 2)

**II. PART 2: Please fill the form below based on the most significant or most important change identified in part 1. You can take note of the testimonies from the person being interviewed or you can ask the person to fill it personally.**
